Traffic Report for week of July 1st to 8th, 2018

In all construction zones, motorists are asked to reduce speed, obey posted signs, and use extreme caution, as well as continue to be cautious of heavy equipment and construction personnel in the area.

White Sands Missile Range Notification

For information regarding closures you may call WSMR at 678-1178 or 678-2222 for updates.

- Traffic updates are posted on the NMDOT traffic advisory web-site at <http://nmroads.com> and can be retrieved through our automated system at 511 in New Mexico or 1-800-432-4269 from any line.

Interstates:

I-10, Mile Marker 84 to 100, Deming 1101630

FNF Construction, INC. (Contractor) will continue with finalization on Interstate 10. Multiple lane closures will be in effect on both the westbound and eastbound lanes. Hours of operation will be from 6:00 am to 7:00 pm, seven days a week. Construction is expected to be completed by July 2018.

I-25, Mile Marker 154 to 157.839, Lemitar CN 1100660

Mountain States Constructors, Inc. (Contractor) is continuing with bridge replacement and roadway reconstruction on Interstate 25 in Socorro Co. Traffic is being diverted from northbound driving lanes to southbound driving lanes to begin the next phase of the project. A 12' width restriction will be in effect throughout the project. Hours of operation will be from 6:30 am to 6:00 pm, Monday through Friday. Construction is expected to be completed by winter 2018.

I-10, Mile Marker 2.5 to 22, Lordsburg

MWI, Inc. (Contractor) will begin installation of the Intelligent Transportation System (ITS). Traffic can expect intermittent lane closures and shoulder work in the area. Hours of operation will be from 7:00 am to 5:30 pm, Monday through Thursday. Construction is expected to be completed by fall 2018.

I-10 Business Loop, Deming

MWI, Inc. (Contractor) will begin installation of the lighting project along Pine Street to exit 85 ramp. Traffic can expect intermittent lane closures and shoulder work in the area. Hours of operation will be from 7:00 am to 5:30 pm, Monday through Thursday. Construction is expected to be completed by fall 2018.

US Roadways:

US 70/N Main St. at Camino Del Rex, Las Cruces

Morrow Enterprises, Inc. (Contractor) will begin signal light and drainage work along the northbound shoulder of N. Main St. at Camino Del Rex. Traffic may encounter a lane drop and shoulder work in the area. Hours of operation will be from 8:30 am to 5:00 pm.

State Roadways:

NM 188 Valley Drive/ NM 28 Avenida de Mesilla, Las Cruces

AUI, Inc. (Contractor) is currently performing roadway reconstruction, utility replacements and lighting/signalization improvements on Valley Drive. Motorists are asked to reduce speed, obey posted signs, and use extreme caution, and be cautious of personnel in the area. Currently the active zone of construction is on Valley Drive from Picacho to Amador. Traffic is currently split and work is being completed within the median areas. Starting on July 6th, 2018 all traffic will be pushed to the northbound lanes. Construction will be from 7:00 am to 5:00 PM, 5 days a week.

NM 90, Mile Marker 0 to 22.6 , Lordsburg

Dustrol, Inc. (Contractor) will be beginning roadway reconstruction with “Hot in Place Recycling”. An 11” width restriction will be in effect. Traffic will encounter lane drops with pilot car and flagging operations. Motorists are asked to reduce speed, obey posted signs, use extreme caution, and be cautious of personnel and equipment in the area. Hours of operation will be Monday through Saturday from 6:00 am to 7:00 pm. Construction is scheduled to be completed by August 2018.

NM 15 “Pinos Altos”, Mile Marker 0 to 1.21, Silver City

TLC Construction (Contractor) will be reconstructing the roadway, installing curb and gutter, sidewalk and bike lanes. NM 15 from HWY 180 to the 32nd street interchange will have one-way traffic only. Ranch Club Road is closed to through traffic at Ranch Club\PA Road intersection while the contractor is reconstructing the intersection. Detours will be in place and traffic is asked to reduce speed and use caution, seek an alternate route if possible. Contractor’s hours of operation will be from 7:00 am to 5:00 pm Monday to Friday; closures and traffic control shall remain in place 24 hours a day 7 days a week. Construction is scheduled to be completed by spring of 2019.

NM 136” Pete V Domenici Hwy”, Mile Marker 0.448 to 9.168, Santa Teresa

FNF Construction, INC. (Contractor) continues with roadway reconstruction, roadway rehabilitation, bridge rehabilitation, signalization & lighting along NM 136 the Pete V Domenici Intl. Hwy. Traffic will encounter lane closures as well as detours with an 11’ width restriction in effect throughout the project. Northbound and southbound traffic will be on the northbound lanes with single lanes in both directions divided by temporary concrete wall barrier. They will remain in this configuration until the next phase change in July. Contractor’s hours of operation will be from 7:00 am to 5:00 pm Monday to Friday; lane closures and traffic control shall remain in place 24 hours a day 7 days a week.

NM 498 “Racetrack Drive” Mile Marker 0.600 to 0.900, Sunland Park

Hasse Contracting Co., Inc. (Contractor) will continue with bridge replacement and roadway reconstruction. NM 498 will be closed from Doniphan Drive to Futurity Drive; detour is in place on Sunland Park Drive. The Contractor’s hours of operation will be from 7:00 am to 5:00 pm Monday to Friday. Construction is scheduled to be completed by winter 2018.

NM 273 “McNutt Road” Mile Marker 0 - 3, Sunland Park

Constructors, Inc. (Contractor) will begin with roadway reconstruction, rehabilitation, signalization & lighting along NM 273 “McNutt Rd”. Traffic is being diverted from southbound driving lanes to northbound driving lanes to begin the first phase of the project. Temporary lane closures are to be expected throughout the project while preliminary work begins. The contractor’s hours of operation will be from 6:30 am to 5:30 pm, Monday through Friday. Construction is expected to be completed by fall 2019.

Chip Sealing Operations:

The New Mexico Department of Transportation (NMDOT) will be performing “Chip Sealing” with Brooming and Fog Sealing operations in Sierra & Dona Ana Co. Speed limit will be reduced, no center stripe and loose gravel on roadway. Traffic will encounter lane drops with pilot car and flagging operations.

Roadways affected will be:

NM 187 “EL Camino Real” from mile post 9 to 24, Garfield North

NM 390 “Carriage Hills Rd” mile post 0 - 2.2, Salem

NM 436 “Loma Parda Rd” mile post .8 to 3.6
