

In order to increase mobility options for the general public, the New Mexico Department of Transportation provides Park and Ride intercity and shuttle transit service during weekday morning and evening peak time periods.

Ridership: With 115 bus departures daily on eight fixed routes and three shuttle routes and 264,221 passenger trips provided in FY 2016, NMDOT Park and Ride is the State's fifth largest bus transit system. Total FY 2016 ridership was 9.8% less than FY 2015 ridership. This decrease in ridership can be attributed to an extended period of significantly lower fuel prices as compared to previous years.
