White Sands Boulevard and Indian Wells Road Intersection Improvements Coming to Alamogordo

Alamogordo, NM – The New Mexico Department of Transportation (NMDOT) District Two will begin a project to improve the intersection at White Sands Boulevard and Indian Well Road in Alamogordo this winter.

The work will include realigning the intersection, roadway reconstruction, upgraded traffic signals and sidewalks, signing, striping, and access control measurements to meet the American with Disabilities Standards Act. This project is part of the Highway Safety Improvement Program (HSIP).

Work on this \$2.5 million project is expected to take a year to complete, weather permitting. Work will take place Monday through Friday, from 7:00 a.m. to 5:00 p.m.
