

FOR IMMEDIATE RELEASE

June 23, 2021

Lordsburg bridge demolition and Roadway Closures

LORDSBURG – The New Mexico Department of Transportation (NMDOT) District One will continue work on a roadway reconstruction and bridge replacement project in Lordsburg.

AUI, Inc. (Contractor) will proceed with demolition of the east-bound bridge over Main Street. During this time, Main Street will be closed to all traffic below the bridge between the hours of 7 p.m. and 6 a.m. The Exit 22 *on* ramp will be closed but Exit 22 *off* ramps will remain open.

All oversized loads will need to utilize Exit 20 to enter the Port of Entry. Detour signs will be in place to direct traffic towards alternate routes. Animas St. will be unaffected and can be utilized in place of Main St.

Daily hours of operation are 7 a.m. to 5 p.m., Monday through Friday. Traffic control will remain in place 24/7.

The New Mexico Department of Transportation is committed to the safety of the traveling public and appreciates your cooperation during this work. For updated information visit: New Mexico Department of Transportation at www.nmroads.com or call 511.
