

NEW MEXICO-CHIHUAHUA BORDER MASTER PLAN: UPDATE

Virtual Public Information Session – September 2, 2021

PROJECT UPDATE

The Policy Advisory Committee (PAC) completed its last workshop in mid-August.

The PAC previously confirmed:

- Projects will be organized by Type: Rail, Multimodal Infrastructure and Land Ports of Entry
- Categories of Evaluation Criteria: Cost Effectiveness, Project Readiness, Capacity/Congestion, LPOE Connectivity (not applicable to LPOE projects), Regional Benefit, Binational Coordination (applies only to LPOE projects)
- Category Weighting will remain from the original 2015 Border Master Plan

The committee focused on:

- Revising the project list to remove completed projects and to add new, proposed projects
- Gather current data especially related to traffic and project readiness
- Ranking the projects based on the new data

Final Project Rankings will be available this Fall. New Proposed Projects include:

- Sunland Park Drive Widening from McNutt to Texas state line
- Interstate 10 Bypass between NM 136 and NM 404
- Gold Avenue/Interstate 10 Local Access Improvements
- St. Francis Drive Extension
- Posey Road Reconstruction
- NM 11 Village of Columbus Bypass
- NM 11 Deming Bypass
- Columbus Industrial Park Gateway
- Deming Truck Relief Route
- NM 273 & Airport Road Traffic Signal
