FOR IMMEDIATE RELEASE

February 11, 2021

Bridge Girder Repair on I-40, Guadalupe County

SANTA ROSA – The New Mexico Department of Transportation (NMDOT) District Four will begin a Bridge Girder Repair project on I-40 at mile post 252 starting Monday, February 15th. Repair work will be performed on both Eastbound and Westbound lanes. Work is expected to be complete by spring 2021, weather permitting.

During the project, motorists can expect lane closures and short delays between the hours of 7:00 a.m. and 5:00 p.m., Monday through Friday. Drivers are asked to watch for construction personnel working in the area, observe temporary construction signs, and reduce speed to the posted speed limits.

For up-to-date information on this project, visit the statewide road information website at www.nmroads.com.
