

The New Mexico Department of Transportation and the Federal Highway Administration announce a

## PUBLIC INFORMATION MEETING

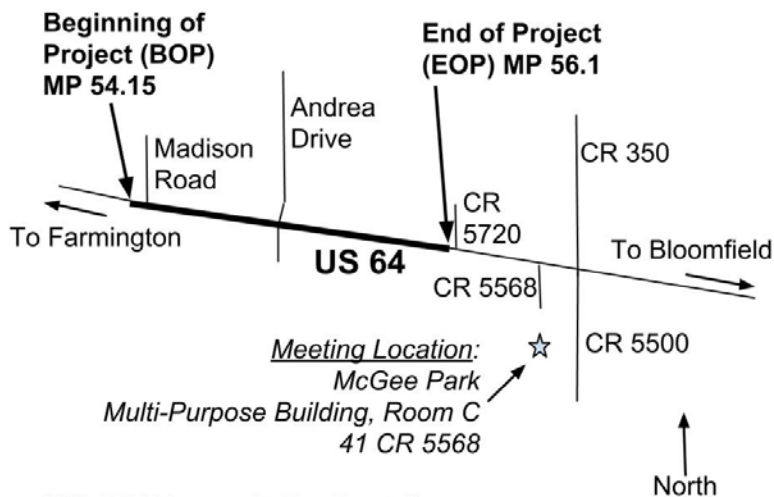

### US 64 Phase 5 MP 54.15 to MP 56.1 Roadway Improvement Project Control Number F100113

**Thursday, June 15, 2017**  
**6:00 pm open house with 6:15 pm presentation**  
**McGee Park, 41 County Road 5568, Multi-Purpose Building, Room C**  
**Located south of Sun Ray Park and Casino**

**Meeting Purpose:** The New Mexico Department of Transportation (NMDOT) in cooperation with the Federal Highway Administration is sponsoring this meeting to discuss the plans and design options for the US 64 Phase 5 Project and receive comments from the public. The project is the last of a series of projects between Farmington and Bloomfield that are intended to improve regional mobility in a safe and efficient manner while addressing corridor access issues. The proposed improvements would modify this section of US 64 from four lanes to six 12-foot driving lanes with three eastbound and three westbound lanes separated by a 15-foot wide median. Drainage improvements would be constructed, and driveways to adjoining properties would be adjusted. The public is encouraged to attend this public meeting and provide comments and questions on the proposed project.

**Meeting Overview and Agenda:** NMDOT project team members will present and discuss the proposed project plans. An open house will begin at 6:00 pm followed by a presentation at 6:15 pm. After the presentation, project team members will accept comments and questions from the public.

**ADA:** To request Americans with Disabilities Act (ADA)-related accommodations for the meeting, contact Eric Johnson at (505) 898-8848 at least two days before the meeting.

**US 64 Phase 5 Project Area**

**Comments:** Written comments will be accepted at the meeting or they may be sent by June 29, 2017 to:
