The New Mexico Department of Transportation and the Federal Highway Administration ANNOUNCE an
ON-LINE PUBLIC INFORMATION MEETING

I-25 La Bajada Slope Stabilization Project
MP 264.0 to MP 267.5
Control Number 5101341

Thursday, September 17, 2020
6:00 pm Introductions * 6:10 pm Presentation * 7:00 pm Questions and Comments

To participate in this public meeting: send an email to eric.johnson@nv5.com for computer log-in information or call 505-898-8848 for call-in numbers by September 16.

Meeting Purpose: The New Mexico Department of Transportation (NMDOT) in cooperation with the Federal Highway Administration is sponsoring this meeting to summarize the findings of the engineering and environmental analyses, present the preferred alternative, and provide an opportunity for the public to share concerns, ask questions, and discuss the proposed improvements. Project information can be found at: https://dot.state.nm.us/nmdotprojects. The purpose of the I-25 La Bajada Slope Stabilization Project is to stabilize the roadway subgrade and the fill slopes along the driving lanes of I-25. Land subsidence and erosion is obliterating the fill slopes of the roadway along with the existing shoulder. Poor roadway drainage and historical geotechnical settlement issues are causing the land subsidence and erosion. The resulting loss of material threatens the roadway and shoulder, the pavement subsidence and the undulating driving surface have caused unsafe driving conditions.

Meeting Overview and Agenda: Due to Covid-19 restrictions, this public meeting will be held online; however, you can participate by phone. NMDOT project team members will present and discuss the proposed project plans. Introduction will begin at 6:00 pm followed by a presentation at 6:10 pm with questions and comments at 7:00 pm. To participate in this public meeting: send an email to eric.johnson@nv5.com for computer log-in information or call 505-898-8848 for call-in numbers by September 16, 2020. If you are unable to attend the on-line meeting, please contact Eric Johnson to request a copy of the presentation and comment form.

ADA: To request Americans with Disabilities Act (ADA)-related accommodations for the meeting, contact Eric Johnson at (505) 898-8848 or at eric.johnson@nv5.com at least three days before the meeting.

Submit your comments and questions by October 7, 2020 by mail, email, or phone.
