VIRTUAL PUBLIC MEETING
ANNOUNCEMENT FOR

US 64 Alignment Study
US 160 at Teec Nos Pos to US 491 in Shiprock (CN 5101170)

The New Mexico Department of Transportation (NMDOT), in cooperation with the Federal Highway Administration, is holding a virtual public meeting to introduce the US 64 alignment study, present existing conditions and study findings of potential improvement options and priority plans, discuss the agency’s study and project development process, and receive public input.

US 64 is a vital link in the region connecting Shiprock and US 491 to Arizona, the rest of the Navajo Nation, and the Four Corners region. The primary focus of the study is the portion of US 64 from the Arizona state line to milepost 20.8 west of Shiprock.

The purpose of the project is to improve the highway to current standards while avoiding and/or minimizing impacts to adjacent cultural and natural resources.

Thursday August 27, 2020
Telephone and web-based public meeting
6:00-7:00 PM

Register at: vekeo.com/NMDOT for web-based OR
Text ‘NMDOT’ to 833.txt.live (833.898.5483) and you will receive a call at the time of the event
You must register at least one hour before the event

NMDOT will be utilizing Access Live, a telephone and web-based service to host the virtual public meeting. Members of the community are encouraged to register for the event and join the discussion, provide comments and ask questions of the project team.
Your comments can be provided at the meeting or can be sent (by September 25, 2020) to:
