

# Raton Multi-Modal Facility Data Recovery Final Report

This data recovery report outlines the approaches used to minimize and mitigate adverse effects to the Raton Railway Depot site (Laboratory of Anthropology [LA] 179005) and the Raton Downtown Historic District (State Register of Cultural Properties Number 470 and National Register of Historic Properties Number 77000923) from the proposed construction of a multi-modal transportation center in the City of Raton, Colfax County, New Mexico. Included in this document are the results of archaeological, historical, architectural, and archival investigations concerning the Depot area, as well as the early history of the railroad in and around Raton.
