COVID-19 Precautions and Rules

In order to provide a safe environment for passengers and staff, NMDOT Park and Ride initiated procedures in March 2020 which will remain in effect for the duration of the public health crisis until such time as restrictions are adjusted by government and/or health officials. Mandatory face coverings, extensive sanitizing of vehicles, hand sanitizer stations, vehicle air circulation, and social distancing measures are some of the steps. The Transportation Security Administration has extended its requirement for everyone on public transportation to wear face masks, regardless of vaccination status. All buses will operate at 25% maximum capacity to maintain social distancing recommendations.

To see all of the procedures that have been initiated by NMDOT Park and Ride, please go to this link www.nmparkandride.com.

A new Mobile Ticketing option is available and links to the Android and Apple apps are available at: <https://tokentransit.com/app>.

You can still either pay exact fare while you are boarding, obtain a monthly pass in the previous manner via the website at www.nmparkandride.com or at the monthly pass vending locations.

We apologize for any inconveniences and thank you for your cooperation in our efforts to keep passengers safe and well during the COVID-19 public health emergency.

For the updated Park and Ride schedules please refer to the Park and Ride, website at www.nmparkandride.com
