COVID-19 Public Health Precautions

- The buses are disinfected by use of a fogging system daily. In addition, all “touch areas” are wiped down before the morning and afternoon runs.
- If you are sick, please stay home and do not ride the bus/public transportation.
- Eating and drinking is always prohibited on the bus.
- Please refrain from loud talking and shouting on your trip in order to decrease airborne droplets, which may contain the virus.
- Each vehicle is equipped with hand sanitizing dispensers in the front and back sections of the passenger cabin.
- Operating on fresh air intake, the cabin is continually cycling fresh air.
- All passengers and drivers are required to wear face coverings in public areas, including transit vehicles and bus stops. Passengers not equipped with a face covering will be denied boarding.
- To ensure social distancing, limits have been placed on the bus’s typical seating capacity. In most cases, this is a total of 15 passengers. The designated double-seat areas are available to passengers traveling together. Otherwise, individuals are required to occupy a seat bank by themselves. Seating is restricted by means of taping off every other seat bank, making them inaccessible to passengers.
- Updates and full procedures can be found at: www.nmparkandride.com
