IDD-2005-01 (Policy for Issuing Infrastructure  
Design Directives)

**DATE:** 26-May-2005

**TO:** Infrastructure Division

**FILE REFERENCE:**  
PSESHARE:Design Directives

The Infrastructure Division is hereby instituting a new policy for issuing and maintenance of Design Directives. The Infrastructure Division or designee will issue design Directives.

This Directive (IDD-2005-01), the first of 2005, will rescind Design Directive 1-2000-Design (Reinstatement of Design Directives, Formerly "Memos To Designers"). In addition, a new numbering system has been established that will supersede the previous numbering system as shown below with all previous Directives modified accordingly. While the new numbering system has been established for previously issued Design Directives, those directives will not be re-issued unless as noted otherwise in the Index.

**IDD - 2005 - 01**

**IDD - Infrastructure Design Directive**  
**2005 - Year Issued**  
**01 - Directive Number**

As with the previous Design Directives, they will be electronically available in the PSE Section Shared drive (Read Access only). It will be the responsibility of staff to become familiar with and be apprised of the status and applicability of the various directives. An Index has been established and will be updated as Design Directives are issued. The Index is also available through the shared drive.

General Office staff is to utilize the \\asgopinon\pseshare drive to access the Directive. District and Regional Office staff can access the Directive utilizing the appropriate District drive as indicated below:
