The following IDD shall be used to ensure consistency in the development of all projects to be let by the NMDOT in relation to the Average Unity Bid pricing. Attached is the Average Unit Bid (AUB) Price Listing for the period of January 2017 thru December 2017.

The Project Development Engineer (PDE) is to utilize this information only as a guide for pricing items. The PDE shall price items based on project location, quantity, difficulty in performing the work and any historical information deemed necessary to reflect the market price and bid items. The attached listing is considered to be some of the historical information that can be utilized.
