**This Price Agreement is made subject to the “terms and conditions” as indicated on subsequent pages.**

**Accepted for the State of New Mexico**

*Valerie Paulk*  
Mark Hayden, New Mexico State Purchasing Agent

Date 1/22/2021

× **This Agreement was signed on behalf of the State Purchasing Agent**

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

Page-2

**Terms and Conditions**  
(Unless otherwise specified)

1. **General:** When the State Purchasing Agent or his/her designee issues a purchase document in response to the Vendor's bid, a binding contract is created.
2. **Variation in Quantity:** No variation in the quantity of any item called for by this order will be accepted unless such variation has been caused by conditions of loading, shipping, packing or allowances in manufacturing process and then only to the extent, if any, specified in this order.
3. **Assignment:**
  - a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.
  - b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this bid are hereby assigned to the State.
4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.
5. **Discounts:** Prompt payment discounts will not be considered in computing the low bid.
6. **Inspection:** Final inspection and acceptance will be made at the destination. Supplies rejected at the destination for nonconformance with specifications shall be removed at the Vendor's risk and expense, promptly after notice of rejection.
7. **Inspection of Plant:** The State Purchasing Agent or his/her designee may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this contract.
8. **Commercial Warranty:** The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. The rights and remedies provided herein shall extend to the State and are in addition to and do not limit any rights afforded to the State by any other clause of this order. **Vendor agrees not to disclaim warranties of fitness for a particular purpose of merchantability.**
9. **Taxes:** The unit price shall exclude all state taxes.
10. **Packing, Shipping and Invoicing:**
  - a. The State's purchasing document number and the Vendor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments. The user's count will be accepted by the Vendor as final and conclusive on all shipments not accompanied by a packing ticket.
  - b. The Vendor's invoice shall be submitted duly certified and shall contain the following information: order number, description of supplies or services, quantities, unit price and extended totals. Separate invoices shall be rendered for each and every complete shipment.
  - c. Invoices must be submitted to the using agency and NOT the State Purchasing Agent.
11. **Default:** The State reserves the right to cancel all or any part of this order without cost to the State, if the Vendor fails to meet the provisions of this order and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the State due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor, such causes include but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of

General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

Page-3

subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

12. **Non-Collusion:** In signing this bid the Vendor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the State Purchasing Agent or his/her designee.

13. **Nondiscrimination:** Vendor doing business with the State of New Mexico must be in compliance with the Federal Civil Rights Act of 1964 and Title VII of the Act (Rev. 1979) and the Americans with Disabilities Act of 1990 (Public Law 101-336).

14. **The Procurement Code:** Sections 13-1-28 through 13-1-199 NMSA 1978, imposes civil and criminal penalties for its violation. In addition the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

15. **Items:** All bid items are to be NEW and of most current production, unless otherwise specified.

16. **Payment for Purchases:** Except as otherwise agreed to: late payment charges may be assessed against the user state agency in the amount and under the conditions set forth in Section 13-1-158 NMSA 1978.

17. **Workers' Compensation:** The Contractor agrees to comply with state laws and rules pertaining to Workers' Compensation benefits for its employees. If the Contractor fails to comply with Workers' Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the contracting agency.

18. **Submission of Bid:** Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. **Contractor Personnel:** Personnel proposed in the Contractor's written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience, and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The Procuring Agency shall retain the right to request the removal of any of the Contractor's personnel at any time.

20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the Agency, State Purchasing Division, Department of Finance and Administration, and for Information Technology contracts, State Chief Information Officer. The Agency shall have the right to audit billings, both before and after payment. Payment for services under this Price Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

22. **Subcontracts:** The foregoing requirements for Contractor Personnel, Subcontracting, and Audit shall be inserted into all subcontracts from the prime contractor to the subcontractor.

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

Page-4

**New Mexico Employees Health Coverage**

A. If Contractor has, or grows to, six (6) or more employees who work, or who are expected to work, an average of at least 20 hours per week over a six (6) month period during the term of the contract, Contractor certifies, by signing this agreement, to have in place, and agrees to maintain for the term of the contract, health insurance for its New Mexico Employees and offer that health insurance to its New Mexico Employees if the expected annual value in the aggregate of any and all contracts between Contractor and the State exceeds \$250,000 dollars.

B. Contractor agrees to maintain a record of the number of its New Mexico Employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. These records are subject to review and audit by a representative of the state.

C. Contractor agrees to advise all of its New Mexico Employees of the availability of State publicly financed health care coverage programs by providing each of its New Mexico Employees with, as a minimum, the following web site link to additional information: <https://bewellnm.com>.

D. For purposes of this Paragraph, the following terms have the following meanings:

- (1) "New Mexico Employee" means any resident of the State of New Mexico employed by Contractor who performs the majority of the employee's work for Contractor within the State of New Mexico, regardless of the location of Contractor's office or offices; and
- (2) "offer" means to make available, without unreasonable restriction, enrollment in one or more health coverage plans and to actively seek and encourage participation in order to achieve the goals of Executive Order 2007-049. This could include State publicly financed public health coverage programs such as *Insure New Mexico!*

**Department Price Agreement**

**Article I – Statement of Work**

Under the terms and conditions of this Price Agreement, the using agency may issue orders for items and/or services described herein.

The terms and conditions of this Price Agreement shall form a part of each order issued hereunder.

The items and/or services to be ordered shall be listed under Article IX – Price Schedule. All orders issued hereunder will bear both an order number and this Price Agreement number. It is understood that no guarantee or warranty is made or implied by either the New Mexico State Purchasing Agent or the user that any order for any definite quantity will be issued under this Price Agreement. The Contractor is required to accept the order and furnish the items and/or services in accordance with the articles contained hereunder for the quantity of each order issued.

**Article II –Term**

The term of this Price Agreement for issuance of orders shall be as indicated in specifications.

**Article III –Specifications**

Items and/or services furnished hereunder shall conform to the requirements of specifications and/or drawings applicable to items listed under Article IX - Price Schedule. Orders issued against this schedule will show the applicable price agreement item(s), number(s), and price(s); however they may not describe the item(s) fully.

**Article IV – Shipping and Billing Instructions**

Contractor shall ship in accordance with the instructions of this form. Shipment shall be made only against specific orders which the user may place with the contractor during the term indicated in Article II – Term. The Contractor shall enclose a packing list with each shipment listing the order number, price agreement number and the commercial parts number (if any) for each item. Delivery shall be made as indicated on page 1. If vendor is unable to meet stated delivery the State Purchasing Agent must be notified.

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

**Article V - Termination**

The Agency may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the Agency's uncured, material breach of this Agreement. Contractor shall give Agency written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the Agency's material breaches of this Agreement upon which the termination is based and (ii) state what the Agency must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the Agency does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the Agency does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach. Termination of this Contract, however, shall not affect any outstanding orders. This provision is not exclusive and shall not waive other rights and remedies afforded either party in the event of breach of contract or default. In such instances the contract may be cancelled effective immediately.

**Article VI – Amendment**

This Price Agreement may be amended by mutual agreement of the New Mexico State Purchasing Agent or his/her designee and the Contractor upon written notice by either party to the other. An amendment to this Price Agreement shall not affect any outstanding orders issued prior to the effective date of the amendment as mutually agreed upon, and as published by the New Mexico State Purchasing Agent or his/her designee. Amendments affecting price adjustments and/or the extension of a price agreement expiration date are not allowed unless specifically provided for in the bid and price agreement specifications.

**Article VII – Issuance or Orders**

Only written signed orders are valid under this Price Agreement.

**Article VIII – Packing (if applicable)**

Packing shall be in conformance with standard commercial practices.

**Article IX – Price Schedule**

Prices as listed in the price schedule hereto attached are firm.

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

**Specifications:**

The purpose of this Invitation to Bid (ITB) is to establish a Price Agreement for Oil Distributer, 600 Gallon, Trailer Mounted for the New Mexico Department of Transportation (NMDOT)

**Term:**

The term of this price agreement shall be for one (1) year from date of award with the option to extend for a period (s) of three (3) additional years, on a year-by-year basis, by mutual agreement of all parties and approval of the New Mexico State Purchasing Agent at the same price, terms and conditions. This price agreement shall not exceed four (4) years.

Successful bidder should be an authorized dealer and be a physically established dealership with parts and service facilities in New Mexico, with Original Equipment Manufacturer (O.E.M.) certified mechanics qualified to repair and service all aspects of engine and powertrain components.

Successful bidder shall provide, at no charge, a complete additional set of replacement filters to include engine crank case, hydraulic, fuel, air induction, air dryer, Diesel Exhaust Fluid (DEF), cab air and coolant if applicable at time of delivery. Provide one (1) laminated filter replacement list and one (1) fluid/oil specification chart for truck and B engine as well as one (1) laminated lube chart with services intervals as well as a laminated Greasing Point Chart illustrating all of the Grease Points for the Unit.

Successful bidder must also provide at least three (3) complete sets of keys with each unit. They will include ignition, tanks, toolboxes and other locking mechanisms.

Provide one (1) technical manual (DVD or flash drive if available), one (1) parts book (DVD or flash drive if available) and one (1) operator's manual with each unit delivered.

Dealer preparation, conditioning and full service is required prior to delivery. Fuel tanks shall be filled to full capacity. Parameters for engine shutdown system shall be tested prior to delivery. Dealer shall provide pre-delivery inspection forms prior to the ordering agency's inspections.

Fuel and DEF tank, as well as, all other fluid reservoirs must be filled to full capacity. All fluid reservoirs and tanks are to be labeled with quantity and type.

**Delivery:**

Deliver FOB to dealer's place of business within the state of New Mexico. In the event that there are no dealers or manufacturing facilities located in New Mexico then delivery will be determined by the NMDOT.

**Escalation/De-escalation Clause:**

In the event of a product cost increase, an escalation request will be reviewed by this office and approved by State Purchasing on an individual basis. Please be aware this measure is not intended to allow any increase in profit margin, only to compensate for an actual cost increase. Price decreases as well shall apply. If the vendor's prices are reduced for any reason, users shall receive the benefit of such reductions. Price increases and/or decreases will not be retroactive to orders already in-house or back-ordered. Orders will be filled at the price in effect of the date of the receipt of the order by the awarded vendor.

All requests for price increases must include the following information from the vendor:

- 1) Agreement Item Number
- 2) Current Item Price
- 3) Proposed New Price

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

Page-7

- 4) Percentage of Increase
- 5) Mill/Supplier Notification of price increase indicating percentage of increase including reason for increase

For escalations, awarded vendor must also supply a current letter from the manufacturer addressed to the vendor. The letter must state that they are increasing the price from the factory to the vendor, as well as the reason for the increase. For a price decrease, a letter from the vendor will be sufficient.

The NMDOT upon review of an escalation or decrease request may require additional supporting documentation prior to providing a written recommendation to the SPD. Final determination on the approval or disapproval of the escalation or decrease request will be made by SPD.

**Method of Award:**

Award will go to the lowest responsible bidder meeting minimum specifications, terms and conditions. The State reserves the right to award to multiple vendors per item.

Awards will be made to meet the best interests of the State of New Mexico.

Bidders may submit a bid response for up to *three* (3) models for each item and are encouraged to do, so long as they meet the minimum specification. NMDOT does not set a limit for exceeding the minimum specifications and welcomes multiple models with different capabilities.

**Bidders submitting alternate models must submit additional items sheet(s), (page 15) for each alternate.**

**Bid Review:**

NMDOT shall perform a bid analysis of all bids received for this Invitation to Bid that require the technical expertise of an engineer. This includes a determination of qualification in accordance with the technical standards and requirements of the specifications. The analysis and recommendation for award will be sent to the State Purchasing Division (SPD) for final determination and awarding.

**Minimum Requirements:**

**Intent of Specifications:**

The specifications are intended to describe equipment for use by the NMDOT, which will operate efficiently and safely. The design specifications incorporated herein are intended to describe such unit, and to set forth minimal performance parameters required by the State of New Mexico. The State reserves the right to accept minor variances in product design and/or operation offered by bidders if such acceptance is determined to be in the best interest of the State.

**Qualified Bidders:**

Bids may be accepted from manufacturers and/or factory authorized dealers who are able and willing to provide responsive service to the ordering agency during the warranty period and the extended warranty period if required. Bidders must be in a position to offer the lowest cost/highest effectiveness, completely assembled units meeting or exceeding the minimum specifications contained herein.

**Inspection of Work:**

The ordering bureau within NMDOT shall have access, at any reasonable time, to the bidder's and manufacturer's facilities for the purposes of inspection during periods of manufacture or assembly of the items to be ordered hereunder. The costs associated with such inspection trips shall be borne by NMDOT.

Above noted equipment shall be delivered within one hundred and eighty (180) working days of bidder's receipt of order. If the above noted equipment is to be installed on a separate unit supplied by the user agency, then it shall be delivered within one hundred and eighty (180) working days of bidder's receipt of said unit. In the event of failure of

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

Page-8

the bidder to deliver in accordance with this requirement, the bidder shall be liable to the user agency and/or the State for late delivery penalties in the amount of twenty five dollars (\$25.00) per unit per day.

Documented strikes, national emergencies, or acts of God are the only justification for delay in delivery. Acts of God are defined as unusual, sudden, and unexpected manifestations of the forces of nature, the effect(s) of which could not have been prevented by reasonable human foresight, plans, and care.

**Certificates, Manuals, and Warranties:**

When unit(s) are delivered, the bidder shall provide to the ordering agency (*upon request*):

- a) Documents of Title, (Due upon payment to vendor)
- b) Certificates of Origin, (Due upon payment to vendor)
- c) Warranty and Guarantee Certificates,
- d) Certifications specified in the contract,
- e) Manuals specified in the contract.

**Guarantees and Warranties:**

Unit(s) furnished hereunder shall be fully warranted (bumper to bumper) on all parts and labor for a minimum of two (2) years. All power train components shall be fully warranted for at least five (5) years and/or twenty five hundred (2,500) hours. In the event that a factory standard warranty exceeds our stipulated warranty, the factory standard warranty shall prevail.

No deductible shall apply during the warranty period.

It is understood that unit(s) offered in response to this request for bids will be of new design. In the event that unforeseen operational problems occur because of new design, the manufacturer shall warrant that it will retrofit at no cost to NMDOT, any improvements developed to correct problems of repeated or early failure in meeting acceptable performance standards for a period of one (1) year from date of delivery.

Hydraulic components furnished hereunder shall be fully warranted on parts and labor for a minimum of two (2) years, or as may otherwise be required under this specification.

**Hydraulic Components to Be Covered:**

Hydraulic Pumps, Valves, Cylinders, Reservoirs and Controls.

**Servicing:**

Unit(s) ordered under this agreement shall be completely serviced and ready for operation upon delivery.

**Warranty Repairs:**

While the unit(s) provided hereunder are under warranty, all repairs shall be completed within five (5) working days after receipt of unit(s). This period may be extended at the user's option and such extension shall be documented in writing. In the event of failure to perform repairs within five (5) working days and failure to receive approval for time extension, the Vendor shall provide a like unit until repairs are completed. All repairs shall be performed at the Vendor's place of business or other facility of his/her choice. Delivery of unit(s) for repair and all costs associated therewith shall be the user's responsibility.

**Parts Availability:**

All replacement parts/components required by the ordering agency for repairs of unit(s) shall be provided within five (5) working days during the warranty period. This period may only be extended at the user's option.

In the event of failure to provide parts/components within the stipulated time or receipt of user/owner concurrence for extending this time, the bidder shall provide the replacement parts/components at no cost to the user/owner.

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

**Training:**

The Vendor will be responsible for providing a minimum of four (4) hours of service and operator training or as may otherwise be required. Training session format(s), length(s), and location(s) will be mutually agreed to between the seller and purchaser.

**Payment or Acceptance Not Conclusive:**

Vendor must supply agency with an invoice for payment. No payment made under this agreement shall be conclusive evidence of the performance of the price agreement either wholly or in part, and that no payment made for the delivery of the items in whole or in part shall be construed as an acceptance of defective work or improper materials, nor relieve the Vendor from corrections of the defects. The final acceptance shall not be binding upon the NMDOT or the State, or conclusive, should it subsequently develop the Vendor has furnished inferior items or had departed from the specifications and/or the terms of the agreement. Should such conditions become evident, the ordering agency shall have the right, notwithstanding final acceptance and payment, to cause the item(s) to be properly furnished in accordance with the specifications (and drawings, if any) at the cost and expense of the Vendor.

**Order of Preference:**

Any references herein to a particular make or model number are intended not to be restrictive, but to set forth an acceptable level of quality and design, equal or better.

**Options:**

All ordered options shall be installed if applicable.

**NEW MEXICO DEPARTMENT OF TRANSPORTATION  
MINIMUM SPECIFICATIONS**

**Item 001: Oil Distributer, 600 Gallon Capacity, Trailer Mounted**

**Scope:**

This specification describes a trailer mounted, six hundred (600) gallon bituminous distributor to meet DOT 406 Federal Code 49 CFR 173.247.

**Function:**

The distributor shall accurately apply all types of bituminous material, as well as be equipped with valves and piping. All primary asphalt valves shall be remote air controlled for a complete system to perform the following functions:

- 1) Load tank with pump suction.
- 2) Circulate material in tank.
- 3) Circulate material in spray-bar.
- 4) Spray through spray bar and/or hand spray gun.
- 5) Return material to tank from spray-bar or hand spray.
- 6) Transfer material from one outside source to another outside source without material entering tank.
- 7) Pump material back to supply source.
- 8) Clean out pump, spray bar, hand spray and piping.

**Capacity:**

Six hundred (600) gallons.

**Engine:**

Twenty (20) horsepower diesel engine.

State of New Mexico  
General Services Department  
Purchasing Division  
Price Agreement #: **10-80500-20-16857**

Page-10

**Shape:**

Oval in cross-section, with long axis horizontal.

**Tank Construction:**

Shell shall be constructed from twelve (12) gauge steel. Ten (10) gauge steel heads, reinforced, deep dished and flanged, welded to tank shell on both inside and outside of tank for strength and durability. Tank shall meet all applicable Federal DOT regulations for transporting hot asphalt (HM-198A/HM 183 DOT). Or prior approved equal.

**Insulation/Shell:**

Two (2) inch fiberglass insulation and spacers to prevent compression, covered with an aluminum jacket. Or prior approved equal.

**Surge Plates:**

Ten (10) gauge steel, full section surge plates, deep dished and flanged. Shall be spaced to provide adequate tank strength and proper surge control. Openings shall be provided in the surge plates for the free flow of material to the pump and large enough for a man to crawl through. Or prior approved equal.

**Manhole:**

Twenty (20) inch inside diameter manhole with weather tight quick opening cover and removable basket type screen. Rollover protective structure over manhole with spill collar.

**Tank Support:**

Manufacturers' standard channel or saddle type supports.

**Tank Gauge:**

Rear mounted float type with aluminum dial calibrated in fifty (50) gallon increments.

**Thermometer:**

Four (4) inch diameter dial-type thermometer. Or prior approved equal.

**Material Pump:**

Tier IV compliant or the most current available from manufacturer, diesel powered. Pump shall be capable of pumping two hundred (200) gallons per minute. The circulating system shall include a manual suction valve, removable strainer and a twenty (20) gallon flushing tank with line to asphalt pump. Built in relief valve in system. Packing in lieu of seals. Or prior approved equal.

**Heating System:**

Shall consist of at least a five hundred thousand (500,000) BTU diesel fired heater with electric driven fuel pump and blower. Auto-ignition system and eight (8) inch flue. Heat limit switch, manually adjustable from one hundred (100) to three hundred forty (340) degrees. Heating element to be positioned in the lowest part of the tank. Or prior approved equal.

**Flush System:**

Twenty (20) gallon flush tank with connections to asphalt pump for cleanout of pump, piping and spray-bar.

**Bar Section Storage Box/Wash Tray:**

Sealed metal bar section storage box and wash tray large enough to hold two (2) bar sections , nozzles and cleaning solution with drain valve and sealed lockable lid.

**Spray Bar:**

Eight (8) foot, full circulating, stationary spray bar with two (2) foot full circulating folding end sections at each end for a total spray bar width of twelve (12) feet. Manual spray bar height adjustment trough travel and working height ranges

State of New Mexico  
General Services Department

Page-11

based on dump body floor heights of four and one half (4 ½ ) feet to five and one half (5 ½ ) feet. Electric/hydraulic cab control panel with on/off switch for control of gang bar. Or prior approved equal.

**Nozzles:**

“V” slot brass nozzles with number two (2) orifice spaced on four (4) inch centers on spray bar with individual valve for each spray nozzle. Each nozzle valve to include a flip lever control, which allows bar length to be adjusted, and allows individual valves to be disconnected without the use of tools or pins.

**Hand Spray System:**

Hand spray gun shall have twenty five (25) feet of three quarter (3/4) inch diameter flexible hose with swivel end, lightweight gun and cold handle. Or prior approved equal.

**Power Wash Down System:**

Reservoir, nine (9) psi and forty five (45) gallons per hour electric pump, twenty-five (25) foot hose and spray wand for cleaning distributor.

**Fill Hose:**

One (1) twenty five foot (25) by (2) two inch diameter steel reinforced rubber fill hose with quick couplers and suction line strainer. Or prior approved equal.

**Tool Box:**

Steel lockable toolbox.

**Tools And Packing:**

Provide all required special tools for the operation and maintenance of the distributor along with an extra supply of gaskets and pump packing.

**Instruction Plate:**

Provide an aluminum burner and valve instruction plate.

**Trailer:**

Trailer frame shall be constructed of structural channel. Adjustable pintle type eye hitch. Tandem axle on spring suspension four (4) LT235/85R16 (E) tires on disc wheels. Crank type jack and safety chains with hooks, safety clips on hooks. Steel fenders. Seven (7) pin electrical connector. Or prior approved equal.

**Brakes:**

Manufacture's standard electric brakes with breakaway feature.

**Mud Flaps:**

Manufacture's standard

**Lights:**

All FMCSA required lighting and all lights are to be LED type. Tail lights should be mounted as high as possible in an enclosed area with a replaceable transparent cover to protect them from over spray. Or prior approved equal.

**Paint:**

Prime and paint factory standard color.

**Placards/Warning Labels:**

As required by DOT and OSHA.
