**FEDERAL TRANSIT ADMINISTRATION (FTA)
REQUIRED CLAUSES**

1. Termination for Cause.

The Department has the option to terminate this Agreement if the Contractor fails to comply with any provision. A written notice of termination shall be given at least thirty (30) days prior to the intended date of termination and shall identify all of the Contractor's breaches on which the termination is based.

The Department may provide the Contractor a reasonable opportunity to correct the breach. If within ten (10) days after receipt of a written notice of termination, the Contractor has not corrected the breach or, in the case of a breach which cannot be corrected in ten (10) days, the Contractor has not begun and proceeded in good faith to correct the breach, the Department may declare the Contractor in default and terminate the Agreement. The Department shall retain any and all other remedies available to it under the law. Upon termination of this Agreement, the Contractor shall return the Program equipment as specified in *Section 1. Scope of the Program*.

2. Termination Management, Allowable Costs.

In the event of termination, neither party may nullify obligations already incurred for performance or failure to perform. The Contractor shall be paid for all the allowable costs incurred prior to the date of termination, subject to audit verification by the Department or its duly authorized representative. The Contractor shall not be paid for any costs incurred that are inconsistent with, or contrary to, the terms and conditions of this Price Agreement.

3. Breach and Dispute Resolution.

Disputes which cannot be resolved informally by the parties shall be decided in writing by the New Mexico State Purchasing Director. The Contractor has ten (10) days from receipt of the decision to file a written appeal with the New Mexico State Purchasing Director. Upon appeal, the Contractor will be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of the New Mexico State Purchasing Director on appeal shall be binding.

4. Lobbying.

A contractor receiving \$100,000.00 or more of federal funds shall file the Lobbying Certification required by [49 C.F.R. Part 20, "New Restrictions on Lobbying."](#) The Lobbying Certification is attached. The Contractor must certify that it has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. Section 1352.

If the Contractor hires a third-party contractor, the contractor must provide the Lobbying Certification to the Contractor. Each tier below the contractor shall also provide a Lobbying Certification. Such disclosures are forwarded from tier to tier up to the Contractor.

5. Clean Water and Air Requirements.

A. The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the [Federal Water Pollution Control Act, 33 U.S.C. Sections 1251 et seq.](#), and the [Clean Air Act, 42 U.S.C. Sections 7401 et seq.](#) The Contractor agrees to report each violation to the Department and understands and agrees that the Department will, in turn, report each violation as required to assure notification to FTA and the appropriate United States Environmental Protection Agency Regional Office.

- B. The Contractor agrees to include these requirements in each contract or subcontract exceeding \$100,000.00 and financed in whole or in part with federal assistance provided by the FTA.

6. Debarment and Suspension.

[Executive Order No. 12549](#), “Debarment and Suspension of Participants in Federal Programs,” February 18, 1986, 31 U.S.C. Section 6101 note, as amended by [Executive Order No. 12689](#), “Debarment and Suspension,” August 16, 1989, 31 U.S.C. Section 6101 note, as implemented by [2 C.F.R. Part 180](#), subpart C, as adopted and supplemented by U.S. DOT regulations at [2 C.F.R. Part 1200](#) prohibits FTA contractors from contracting for goods and services from organizations that have been suspended or debarred from receiving federally-assisted contracts. Contractors shall include the certification and instruction language contained at 2 C.F.R. Part 1200 in all Invitations for Bids and Requests for Proposals (for inclusion by contractors and subcontractors in their bids or proposals) for all contracts expected to equal or exceed \$25,000.00, regardless of the type of contract to be awarded.

The Contractor is required to verify that none of the Contractor’s principals or affiliates are excluded or disqualified as defined, as defined by 2 C.F.R. Part 1200. By signing and submitting this Agreement, the Contractor certifies as follows:

The certification in this clause is a material representation of fact relied upon by the Department. If it is later determined that the bidder/Contractor knowingly rendered an erroneous certification, in addition to remedies available to the Department, the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder/Contractor agrees to comply with the requirements of 2 C.F.R. Part 1200 while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder/Contractor further agrees to include a provision requiring such compliance in its lower tier covered transactions.

7. Notification Related to Fraud, Waste, Abuse, or Other Legal Matters

If a current or prospective legal matter that may affect the Federal Government emerges, the Contractor must promptly notify the Department so that it can notify the Federal Government. The Contractor must include a similar notification requirement in its third-party agreements and must require each third-party participant to include an equivalent provision in its subagreements at every tier, for any agreement that is a “covered transaction” according to 2 C.F.R. Sections [180.220](#) and [1200.220](#). The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason. Matters that may affect the Federal Government include, but are not limited to, the Federal Government’s interests in the Award, the accompanying Underlying Agreement, and any Amendments thereto, or the Federal Government’s administration or enforcement of federal laws, regulations, and requirements.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

A. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE (ERSD)

From time to time, New Mexico General Services Department (GSD), on behalf of the State of New Mexico (SONM), may be required by law to provide you with certain written notices or disclosures. Stated below are the terms and conditions for GSD's providing you such notices and disclosures electronically through the DocuSign system. Please read this information carefully. If you are able to access this information electronically and agree to **this Electronic Record and Signature Disclosure (ERSD)**, please confirm your agreement by selecting the check-box next to "I agree to use electronic records and signatures" before clicking "CONTINUE" within the DocuSign system.

B. Obtaining paper copies

At any time up to twenty (20) calendar days following your use of DocuSign to electronically sign a document, you may request a paper copy of any record provided or made available electronically to you by GSD. You will have the ability to download and print documents SONM sends you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a twenty (20) calendar day period after such documents are first sent to you. Following the twenty (20) day period, if you want GSD to send you paper copies of any such documents from GSD's office, you will be charged a \$1.00 per-page fee plus postage. You may request delivery of such paper copies from GSD by following the procedure stated in Section H, below.

C. Withdrawing your consent

If you decide to receive notices and disclosures from GSD electronically, you may at any time change your mind and inform GSD you want to receive required notices and disclosures only in paper format. The procedure concerning how you may inform GSD of your decision to receive future notices and disclosures in paper format as well as withdraw your consent to receive notices and disclosures electronically is stated in Section D, immediately below.

D. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed with which GSD will be able to complete certain steps in specific transactions and deliver paper copies to you. GSD will need: (1) to send the required notices or disclosures to you in paper format; and (2) wait until GSD receives your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from SONM or to electronically sign documents generated and sent to you from SONM.

E. All notices and disclosures will be sent to you electronically

Unless you inform GSD otherwise according to these procedures, GSD will electronically provide you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements and other documents that are required to be provided or made available to you during the course of your electronic signature relationship with SONM. To reduce the possibility of inadvertent non-receipt, GSD prefers to provide all required notices and disclosures by the same method and to the same email or physical address that you furnish to GSD. Thus, you may receive the disclosures and notices electronically or in paper form. If you do not agree with this procedure, please inform GSD according to the procedures stated in Section I, below. Please also refer to Section D, immediately above, which states the consequences resulting from your declination of electronic delivery of notices and disclosures.

F. How to contact GSD:

You may inform General Services Department (GSD) of any changes you select regarding State Purchasing Division's (SPD) electronic communications with you, to request paper copies of certain information from SPD, and to withdraw your prior consent to receive notices and disclosures electronically by emailing your request(s) to SPD at: GSD.SPInfo@state.nm.us

G. To advise SPD of your new email address

To inform SPD of a change in the email address to which SPD sends you notices and disclosures electronically, you must send an email to SPD at GSD.SPInfo@state.nm.us and in the body of such request you must include your previous and new email addresses.

H. To request paper copies from SPD

To request delivery of paper copies of electronic notices and disclosures that DocuSign and/or SPD have previously provided to you, you must send an email to SPD at GSD.SPInfo@state.nm.us and in the body of your email request state your email address, full name, mailing address, and telephone number. SPD will charge you a \$1.00 per page copy fee plus postage.

I. To withdraw your consent with SPD

To inform SPD that you no longer wish to receive notices and disclosures in electronic format you may:

(1) Decline to sign a document from within a signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may:

(2) Send SPD an email to GSD.SPInfo@state.nm.us and in the body of your request state your email address, full name, mailing address, and telephone number.

J. Required hardware and software

The minimum system requirements for using the DocuSign system may change over time. The current DocuSign system requirements may be found at:

<https://support.docusign.com/guides/signer-guide-signing-system-requirements>

K. Acknowledging your access and consent to receive and sign documents electronically

To confirm that you are able to electronically access the information contained in this Electronic Record and Signature Disclosure (ERSD), please confirm that you have: (1) read this ERSD, and either: (2) you are able to print on paper or electronically save this ERSD for your future reference and access; or (3) you are able to email this ERSD to an email address where you will be able to print this ERSD on paper and/or save this ERSD for your future reference and access. Further, if you consent to receiving notices and disclosures from DocuSign and/or SPD exclusively in electronic format, then select the check-box next to “I agree to use electronic records and signatures,” before you click “CONTINUE” within the DocuSign system.

By selecting the check-box next to “I agree to use electronic records and signatures,” you confirm that:

- You have read this Electronic Record and Signature Disclosure (ERSD); and
- You can print this ERSD on paper, or you can save and/ or send this ERSD to a location where you can print this ERSD, for your future reference and access; and
- Until or unless you notify SPD as stated in this ERSD, you consent to exclusively receive through electronic means all notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you by SPD during the course of your electronic signature relationship with SPD.
