3. **Assignment:**
 - a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.

4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.

18. Submission of Bid: Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. Contractor Personnel: Personnel proposed in the Contractor's written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. 20. Subcontracting: The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. Term:

The term of this agreement shall be for one (1) year from date of award with the option to extend for a period (s) of three (3) additional years, on a year-by-year basis, by mutual agreement of all parties and approval of the New Mexico State Purchasing Director at the same price, terms and conditions. This agreement shall not exceed three (4) years.

Scope:

Successful bidder will be required to remove all scrap metal as designated by the District Engineer or his designee. Prior approval must be obtained from the District Highway Engineer or his/her designee for any delay(s) in removal of metals. Metals not removed within the specified time will be just cause to cancel award to said vendor(s) for that location and any other locations awarded to said vendor(s).

Method of Award:

Award of this Price Agreement will be made to the bidder offering the highest price per ton for scrap metal. Determination of whether quantity is sufficient for pick up will be made by the District Engineer or his designee.
