2. **Variation in Quantity:** No variation in the quantity of any item called for by this order will be accepted unless such variation has been caused by conditions of loading, shipping, packing or allowances in manufacturing process and then only to the extent, if any, specified in this order.
3. **Assignment:**
 - a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.
 - b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this bid are hereby assigned to the State.
4. **State Furnished Property:** State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.

8. **Commercial Warranty:** The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. 9. **Taxes:** The unit price shall exclude all state taxes.
10. **Packing, Shipping and Invoicing:**

fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

12. **Non-Collusion:** In signing this bid the Vendor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the State Purchasing Agent or his/her designee.

18. **Submission of Bid:** Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. **Contractor Personnel:** Personnel proposed in the Contractor's written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience, and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The Procuring Agency shall retain the right to request the removal of any of the Contractor's personnel at any time.

20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement's term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. Payment for services under this Price Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

22. **Subcontracts:** The foregoing requirements for Contractor Personnel, Subcontracting, and Audit shall be inserted into all subcontracts from the prime contractor to the subcontractor.

Specifications:

Establish a Price Agreement for the sale of steel scrap metal at various locations throughout the New Mexico Department of Transportation (NMDOT), District Four, which includes San Miguel, Colfax, and Quay Counties.

Terms:

The term of this Price Agreement shall be for one (1) year from date of award with the option to extend for a period of three (3) additional years, on a year-to-year basis, by mutual agreement of all parties and approval of the New Mexico State Purchasing Agent at the same price, terms and conditions. This Price Agreement shall not exceed four (4) years.

Scope:

Successful bidder will be required to remove all steel scrap metal as designated by the District Engineer or his designee. In the event the successful bidder fails to remove all scrap materials within forty-five (45) days after notification by the NMDOT, the District Four office will cancel this Price Agreement and re-award to the next responsive bidder for that location.

Bids will only be accepted from a licensed, bonded and registered vendor(s) and must have a minimum of two (2) years of experience performing this type of service. A performance bond in the amount of \$5,000.00 will be submitted to the user agency by the awarded vendor(s) prior to removal of any metals from the District. The performance bond will serve as a guarantee of removal of all scrap metal from district scrap piles and guarantee payment to use agency for scrap metal, which are picked up by the awarded vendor(s). The cost of the performance bond shall be obtained by the awarded vendor(s).

Awarded vendor(s) must provide all necessary insurance for his/her employees, at the work site, including but not limited to Workman's Compensation. Vendor(s) shall provide a copy of proof of such insurance to the NMDOT District Four Procurement Office.

Vendor is required to provide payment to the NMDOT – District Four Procurement Office for salvage material picked up within ten (10) business days of removal of scrap. In extenuating circumstances, the District Engineer or his designee reserves the right to allow awarded vendor(s) to remove scrap and provide payment within a minimum of thirty (30) days. Awarded vendor(s) will not be allowed to pick up scrap metals if in default of status of payment to the District.

Hold Harmless Clause:

Contractor shall indemnify and hold harmless the State, its officers, and employees, against liability, claims, damages, losses, or expenses arising out of bodily injury to persons or damage to properties caused by, or resulting from, Contractor's and/or its employees, own negligent acts or omissions while Contractor, and/or its employees perform or fail to perform its obligation and duties under the terms and conditions of this Price Agreement. This Save Harmless and Indemnification Clause is subject to the immunities, provisions, and limitation of the Tort Claims Act (Section 41-4-1, et seq., NMSA 1978 Comp. and Section 56-7-1 NMSA 1978 Comp.) and any amendments thereto.

It is specifically agreed between the parties executing this Price Agreement that it is not intended by any of the provisions of any part of the Price Agreement to create the public or any member hereof a third party beneficiary or to authorize anyone not a party to the Price Agreement to maintain a suit for wrongful death, bodily and /or personal injury to persons, damage to properties and/or other claims whatsoever pursuant to the provisions of this Price Agreement.

All activities within district patrol yard boundaries shall be conducted at the discretion of the Patrol Supervisor. The Contractor shall contact the Patrol Supervisor providing a minimum of two (2) weeks' notice when scheduling removal dates. The Contractor shall not deviate from the agreed upon removal date without prior approval from the Patrol Supervisor.

State of New Mexico
General Services Department
Purchasing Division

Prior to the removal of any material, the Contractor must meet with the Patrol Supervisor or designee in order to ascertain what material is to be removed. The Contractor will restrict his activities within the patrol yard hours of 7:00 am to 3:30 pm Monday through Friday.

The Department reserves the right to segregate metals for sales to other state agencies, municipalities and non-profit organizations. This Price Agreement is for "scrap" (non-usable) metals. The Department reserves the right to decide which "scrap" metals are and which are not. By bidding this Price Agreement, the successful vendor(s) will not be allowed to pick and/or choose the metals to be salvaged. The vendor will be required to remove all metals, which may include passenger vehicle, pickup truck, heavy duty truck, bus bodies and off-road metals from all designated salvage areas within the specified times as indicated on the previous paragraph of this Price Agreement. Prior approval must be obtained by the District Engineer or his/her designee for any delay(s) in removal of metals. Metals not removed within the specified time will be just cause to cancel award to said vendor for that location and any other locations awarded to said Vendor.

Method of Award:

Award of this Price Agreement will be made to the bidder offering the highest price per ton for scrap metal. Determination of whether quantity is sufficient for pick-up will be made by the District. Arrangements may be made to pick-up metals on a set (quarterly, semi-annually, yearly) during the life of this Price Agreement.

The NMDOT – District Four office does not guarantee any salvage material quantities.

Certified scale receipts will be provided by the Contractor to the Patrol Supervisor or designee at no additional cost to the Department for each load prior to approval for pick-up of next load.

The vendor is requested to indicate their Federal Tax ID, NM Gross Receipt or Social Security number _____.
