3. **Assignment:**
  - a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. 7. **Inspection of Plant:** The State Purchasing Agent or his/her designee may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this contract.
8. **Commercial Warranty:** The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Contractors who are bidding shall promptly notify the Department of any ambiguity, inconsistency or error which they may discover upon the examination of the bidding documents, or the site and location conditions. The Department shall have the right to reject any or all bids, and in particular to a bid not accompanied by the data required by this bidding document, or a bid which in any way is incomplete or irregular.

The prices quoted herein represent the total compensation to be paid by the State for goods and/or services provided. It is understood that the party providing said goods and/or services to the State is responsible for payment of all cost of labor, equipment, tools and any other items necessary to complete the work provided.

The conditions and specifications set out in this Price Agreement are inseparable and indivisible. Any contractor, by submitting a bid, agrees to be bound by all such conditions or specifications set out in this Invitation to Bid. All other documents required to be submitted, shall be returned by the Contractor in his bid package.
