

## ADDENDUM NO. 2

### RFP No. 20-09

#### Statewide On-call Bridge/Structural Design and Inspection Services

8/29/2019

To Whom It May Concern:

The New Mexico Department of Transportation (NMDOT or Department) conducted the Pre-Proposal Conference for RFP No. 20-09 on August 23, 2019. Below are questions submitted along with the Department's responses. Attached to this addendum No. 2 are the power point presentation and the pre-proposal conference sign in sheets. It shall be the responsibility of the interested Offerors to adhere to any changes or revisions to the RFP as identified in this Addendum No. 2. This documentation shall become permanent and made part of the Department's procurement file.

**Question:** Have you already selected bridges to review or will you be determining that based on qualification of the selected firm? If you have selected the bridges, would you be able to provide us with this information?

**Answer:** The selection for award of on-call contracts will be based upon the proposal response. Multiple on-call contracts will be awarded. The scope of services is defined in Appendix A. Respondents need not Possess expertise in all areas. Specific structures/projects will be established on an as-needed basis and are not identified at this time.

**Question:** How much of the awarded work do you expect to include PS&E as opposed to investigation/condition assessment?

**Answer:** After award of contracts, the Contract Manager/Project Manager will Distribute the as-needed work as appropriate based upon the expertise Of the consultants and best interest of the State. The determination of PS&E opposed to investigation/condition assessment will be made on a case-by-case basis as required.

**Question:** In Addendum 1, Question #2, you stated there would not be a DBE Requirement for our proposal response. To confirm, will teams be Frowned upon or lose points for not using a DBE sub?

**Answer:** No, there is no point deduction or proposals will not be frowned upon for not using a DBE sub.
